What is the purpose of this Mascot Design Challenge Activity?

This Mascot Design Challenge Activity Sheet is for your entry to the fantastic Saint Catherine's Mascot Competition! In 2025, Saint Catherine's Hospice will be celebrating 40 years of providing care throughout 1,600 square miles of North and East Yorkshire, we are looking for a new mascot to represent our organisation throughout our Ruby 40th Anniversary year - **can you help?**

The mascot can be an object, animal or person but don't forget, it will need to be made big enough for someone to get inside to bring it to life. Use this activity sheet to design your entry then please ask your teacher to send it in before 30th October 2024.

So, Mascot Makers.... are you ready?

Let the challenge begin!
